- B. The student will participate in a learning activity that will reinforce the student's understanding of techniques to effectively direct and control traffic using hand signals, flashlights and warning devices, including:
1. The procedures related to the use of hand signals and flashlights to safely control the stopping, starting or turning of vehicular and pedestrian traffic
  2. Other traffic control devices, vehicles or other available equipment to safely control traffic movement
- C. The student will participate in one or more learning activities from the POST-developed *Instructor's Guide to Learning Activities for Leadership, Ethics and Community Policing (December 2005)* or other comparable sources regarding traffic enforcement. At a minimum each activity, or a combination of activities, must address the following topics:
1. Application of a problem solving strategy to assess the underlying conditions and develop resolutions to community traffic safety issues
  2. Professional demeanor, fairness and effective communication during a traffic enforcement contact
  3. Initiative, discretion and decision making when issuing citations and considering spirit versus letter of the law
- D. Given one or more video re-enactments depicting alcohol or drug impairment, or an equivalent number of simulations, scenarios, or role play exercises provided by the presenter, the student will participate in a learning activity that addresses:
1. The ability to recognize valid indicators of impairment that establish probable cause for arrest
  2. The ability to describe and document the observed behaviors of the person impaired by alcohol or drugs
  3. The ability to present or critique testimony in court related to observation and documentation of impairment
- E. The student will participate in a learning activity that requires the student to conduct a FST that shall minimally test the student's ability to:
1. Articulate a proper location for the test and why that location is appropriate
  2. Articulate the objective observations of signs or symptoms of intoxication or drug use
